GENEVA
RELIEF FUND

A Ministry of
the PCA

For decades, Geneva's Look/After campaign has rallied PCA churches and individuals to care for those who have faithfully served the church and now find themselves in a time of need.

This year, our focus turns to widows – women like Crystal, who was left with zero income after the sudden passing of her husband Dan, a PCA pastor. Through the Relief Fund, Crystal received both immediate and ongoing support, allowing Crystal to focus on her family and her healing. Her journey reflects the heart of the Relief Fund: to ensure that no widow, pastor, or ministry family walks through crisis alone.

Every month, at least one PCA pastor or their family experiences tragedy, and they are often financially unprepared for these challenging moments. The love and compassion of Christ continues to reach widows, pastors, and their families through the ministry of the Relief Fund. Your gifts help provide hope and financial support during unexpected hardship.

Your help is needed! Will you give today to care for those who have faithfully cared for the church?

With your gift this season, you provide practical help and tangible hope for widows and ministry families across the PCA. Please consider making a financial gift to support those who have served the church by visiting **genevabenefits.org/lookafter**. Together, we can look after widows and other ministry families during the most difficult season of their lives.

Thank you for partnering with us to give back to those who faithfully serve our churches!
